

ZEROS & ONES

Binary Code Sudoku

CHALLENGE LEVEL – BEGINNER

Fill each box with either a zero or one.

No more than two of the same number can be immediately next to, or below each other.

Each row, and each column, should contain four zeros and four ones.

							0
	0	0			1		
	0				1		0
		1					
0	0		1			1	
				1			
1	1				0		1
	1						1
