EARLY FINISHERS FUN

Have you finished your work early? Try these activities!

DRAW YOUR FAVORITE MEAL:

A large, empty rectangular box with an orange border, intended for a student to draw their favorite meal.

MAKE THE LARGEST NUMBER YOU CAN WITH ANY METHOD USING THESE NUMBERS:

12

36

4

2

A large, empty rectangular box with an orange border, intended for a student to write the largest number they can make using the provided numbers. The numbers 12, 36, 4, and 2 are displayed in blue boxes at the top left of the area.

USE THE LETTERS BELOW TO MAKE AS MANY WORDS AS YOU CAN:

A

E

L

S

H

P

A large, empty rectangular box with an orange border, intended for a student to write words using the letters A, E, L, S, H, and P. The letters are displayed in blue boxes at the top left of the area.

ADD TO THIS SHAPE TO MAKE SOMETHING NEW:

A blue wavy line shape, resembling a stylized 'S' or a wave, is drawn in the top left corner of a large, empty rectangular box with an orange border. The box is intended for a student to add to this shape to create something new.
